Detox Tea From Yogi Tea

Yogi Detox Tea With everyday impurities finding their way into our bodies, we may sometimes be left feeling tired or out of balance. Yogi DeTox is a gentle way to help the body cleanse itself by aiding the liver and kidneys. This tea uses the purifying herbs Burdock and Organic Dandelion to support the liver, and Juniper Berry to promote kidney function. The traditional Ayurvedic cleansing blend called "trikatu" (Ginger, Black Pepper, and Long Pepper) supports blood flow, while Indian Sarsaparilla adds spicy flavour. Brewing Suggestions: Pour 250 ml of freshly boiled water over the teabag. Allow to infuse for 5 to 6 minutes or longer for a stronger flavour.
