Review

"Despite the persistent legend that producers always stifled the talents of those artists in their employ, Hollywood's past is littered with examples to the contrary. . . . "Hitchcock and Selznick is a compelling chapter in that largely ignored story."--Stephen Harvey, "New York Times Book Review About the Author Leonard Leff is Professor of English at Oklahoma State University and author most recently of *Hemingway and His Conspirators: Hollywood, Scribners, and the Making of American Celebrity Culture* (1997).
