Tuning: The Art of Modification Santi Trivino

This work deals with dedicated mailing and e-mail campaign to targeted design and style related media. Interest in tuning - or customizing - is growing exponentially. The tuning and customizing process is a labour of love and ingenuity. Mechanical parts are made to gleam and be seen and the bodywork often a marvel to behold. For this very reason, no two customized vehicles are ever alike. A cultural expression of urban life in the same way that tattoos or piercing is, customizing is an art form with a passion and the car is the canvas.
