Actors fascinate us in part because they live out the truths we cannot - or do not - want to live out ourselves. In his latest book, acclaimed photographer Howard Schatz develops upon his well-received monthly feature for 'Vanity Fair', 'In Character.' Schatz' mastery of his craft is demonstrated as he himself acts, taking on the role of a director and giving his subjects detailed situations to explore, which are listed with the resulting image. The actors featured here - including John Malkovich, Pierce Brosnan, Michael Douglas, Colin Firth, Laurence Fishburne, Whoopi Goldberg, Michael C. Hall, Hugh Laurie, Amy Poehler, and Geoffrey Rush, among other illustrious greats - demonstrate their skill for improvisation while Schatz captures the complexity of their emotional and physical range. This inventive collection is a richly entertaining revelation of the fantasy of transformation. Schatz does not simply create characters from these actors - he helps to reveal their humanity.
